Considering the extraordinarily high prices of food stuffs. Omitting the payments towards outstanding debts for the years 1917-18 & 1918-1919 to the extent of Rs 267-14-11, the expenditure for the year October Rs. 2853-9-5 out which there was an income from fixed sources of Rs 1710, income from lands belonging to the orphanage Rs 360 and income from private subscriptions and miscellaneous Rs 626-11-3. Thus the operations within the year leave only a deficit balance of only Rs 155-13-2. There however seems to be some more debts, the exact amount of which is not known.

In his letter of 18th June 1919 the President of the Committee requests that the annual grant of Rs 1200 may be raised to Rs 2400 but he does not assign reasons in detail for such a substantial increase. The institution with which the deficit expenditure is naturally associated And it is usual in the Bombay Presidency to fix rigidly the number of inmates I would fix it at 25 and in

ordinary years the present income of the municipality will be just sufficient to carry it through. Some additional help will however be necessary until there is an improvement in prices and this can be temporarily sanctioned from time to time. If the above view is accepted I would suggest that the present additional grant of Rs 50 a month may be continued for another six months i.e. until the end of December next. The cost will have to be borne from State funds.

THIRD

Final Note by the ~~First~~ Member of Council.

Subject:—

Draft Order relating to grant of certain concessions &c. to the Srinivasa Mandiram Orphanage, Bangalore City.

Under Government Order No. 1463-68 dated 19th September 1905, the orphanage attached to the Srinivasa Mandiram, Bangalore, was getting a grant-in-aid of Rs. 50 per mensem.

Flag E.

2. The Government in their Order No. 635-8 Muz. 356-13-4 dated 15th September 1914 raised this grant to Rs. 100 per mensem and ordered that it should be in force for a period of 5 years from 1st July 1914.

Flag F.

9 & 3

3. On a representation received from the Committee of Management of the Institution praying for a higher grant in view of the abnormal conditions as to prices of foodstuffs etc., Government in their Order dated 2nd April 1919 were pleased to sanction an additional grant of Rs. 50 temporarily for a period of 6 months from 1st January 1919; and as the period of 5 years for which the grant of Rs. 100 had been sanctioned in 1914 was expiring by the end of June 1919, the Government further called for a report from the Muzrai Superintendent upon the working of the institution with a view to decide the question of the continuance of the grant and the amount at which it should be fixed.

Flag T.

Paper under disposal.

4. The Muzrai Superintendent and Secretary has accordingly submitted the report received from the President of the Srinivasa Mandiram Committee, giving the particulars called for by Government, in respect of the working of the institution. It will be seen therefrom that during the past year

there were 28 orphans in the Institution, all of whom received training in some vocation or other, and that the institution has been maintaining its efficiency and doing good and useful work.

5. The Muzrai Secretary has recommended that, in view of the paucity of funds at the disposal of the institution and the absence of adequate response to the appeal made by it to the public for help, the number of orphans maintained by it may be limited to 25, and that the previous grant of Rs. 100 per mensem, which would be sufficient for this number, may be continued for 5 years more. He also further recommends that on account of the continuance of the high prices of foodstuffs, the additional grant of Rs. 50 sanctioned temporarily for 6 months in the order of 2nd April last may be continued for a further period of 6 months from July to December 1919.

'ara 6 of the lotes (Page 3)

6. Mr. K.S.Chandrasekhara Aiyar who was then in charge has agreed with the Muzrai Secretary's opinion. The Financial Secretary, has also no objection to the continuance of the grant-in-aid of Rs. 100/- per mensem for another 5 years from 1st July 1919 and to an additional grant of Rs. 50 temporarily for 6 months from the same date. All the Members of Council to whom the papers were circulated have also approved of the proposal.

The 32nd Annual Report.

(FOR THE YEAR 1914–15.)

INTRODUCTION.

"The race of mankind would perish, did they cease to aid each other. From the time the mother binds the child's head, till the moment that some kind assistant wipes the death-damp from the brow of the dying, we cannot exist without mutual help. All, therefore, that need aid, have a right to ask it from their fellow-mortals; no one who holds the power of granting, can refuse it without guilt."

SIR WALTER SCOTT.

This mutual help is the key-stone of the Institution's work.

* * * * * * *

THE YEAR.

For this year the report will be very brief.

* * *

THE TEMPLE WORK.

The Mandiram.

In our previous reports we have recorded all the aims and objects of the Temple and have stated how we conduct this work. We are unable to add anything new thereto. We simply say we have maintained its holy character as before.

We fed during the year 638 pilgrims who came from all parts of the country.

* * * * * * *

Th Orphanage.

Below is given the statement relating to the inmates of the Orphanage. This shows what educational and vocational training the boys are receiving and what progress they have made. Especially, to make the training more useful and rofitable to the boys when they become majors, we feel the want of two or three professional artisans, who would coach them up. The statement also shows the strength we maintain. We are only sorry, we cannot increase it for want of accommodation and provision further. The ages of the boys vary from four to sixteen years.

1919, the cost being met by re-appropriation from Muzrai grants for the current year to be indicated later on by the Muzrai Superintendent.

10-9-19.

Secretary to Government,
Muzrai Department.

To,

The Muzrai Supdt:

The Comptroller to Govt.

The Dy. Commr: Pangalore District.

The President of the Committee for the management of the Sri Srinivasa Mandiram Charities.

President of the Committee, it is seen that the total income of the Orphanage for the last year was Rs.2,700 of which, Rs.1,710 was contributed by Government from the Muzrai and Educational budgets and Rs.990 from other sources such as proceeds of Mirle land, value of rice collections and subscriptions. During the year, the number of orphans maintained was fluctuating, 28 being the highest, which was reduced to 22 at the end of th year. As a result of the year's operations, there remains a debt of nearly Rs.422 to be met by the Institution.

2. While recognizing the good work that the institution is doing, Government regret to find that the response to it from the public has not been as satisfactory as it may well have been. Under the existing conditions, Government consider it desirable that there should be a numerical limit placed on the admissions which may be fixed at 25 for the present.

3. The grant of Rs.100 a month sanctioned in the first of the orders read above having ceased in July 1919, Govt: are pleased to sanction the continuance of the grant for a further period of five years. In view of the present exceptional conditions regarding prices of provisions, Government consider that some further help is also temporarily necessary and they are accordingly pleased to ~~sanction~~ direct this he an additional grant of Rs.50 a month Sanctioned for 6 months in their order dt 2nd April 1919 continued for a further period of six months from 1st July
